

Dear Diaconie Prot. Gemeente Oosterbierum/Wynaldum attn:Joh. Wolbers,

Greetings to you. We would like to thank you for your love gift of € 560 for supporting our two girls who go to the assistant nursing school in Chiangmai.

Your contribution will help the Agape Home to provide for their assistant nursing studies and expenses.

It is often said that without your support we could not do what we do. How true here at Agape, It also provides a loving caring environment where our children experience what it is like to have people in their lives who have a real interest in their wellbeing, who live and cherish them daily. It helps put smiles on their faces that melt your heart.

We thank you from our hearts for your kind generosity and gift of hope for these very special children. As Agape Home has opened arms to receive more children this year, child sponsorship and financial support are very important to Agape Home to provide their needs in all aspects.

Thank you very much again for helping us serve the Agape Home, Chiangmai, Thailand.

Sincerely,
